11th November 2026

Dear Parent/Carer,

We are about to begin our Year 11 mock examinations in preparation for the Summer 2027 exam season. This year, we will also be running Year 10 mock exams at the same time. These exams are designed to help pupils become familiar with the examination process and to assist teachers in identifying and addressing individual learning needs.

The mock exams will start on **Monday 30th November 2026** and run for one week. Each day will include a morning and an afternoon exam. All exams have been carefully planned to reflect the appropriate year group, curriculum relevance, and prior learning.

Mock exams provide an invaluable opportunity for students to build confidence in a way that ordinary revision cannot. They act as a 'dress rehearsal' for the real exams, helping students prepare for future assessments. This experience not only boosts confidence but also enables teaching staff to identify and fill any gaps in knowledge.

Students should arrive at school at their usual time, wearing full school uniform. A nutritious breakfast will be available as part of our nurture breakfast offer, which has been scientifically proven to support brain function and memory.

We understand that this period can be stressful and anxiety-inducing for many students. Please be assured that our experienced Pastoral Team will be on hand to provide support and create a calm environment before, during, and after the exams.

If you have any concerns, please do not hesitate to contact us. Working together, we can ensure a successful and positive experience for our students as they prepare for their future education and career pathways.

Yours sincerely,

James Wright
Assistant Head Teacher (KS4 phase lead)
