

SALT TIP OF THE WEEK

Celebrate all communication

Every communication counts.

Notice it. Acknowledge it. Respond to it.

Whether it's a gesture, a glance, a sound, an AAC selection, a behaviour, or a spoken word — it's all meaningful communication.

When we consistently respond, we send a powerful message:

“Your voice matters.”

This builds trust, motivation, and confidence — encouraging our students to communicate again and again.

The more we celebrate communication in all its forms, the more we help it grow.
