

An Introduction to our Independent Careers Advisor

The SENDIASS Young Person Advisor Service provides independent, impartial careers information, advice and guidance to students with SEND in line with the Gatsby Benchmarks - a national framework for careers guidance in education.

Students in year 9 and above will receive support on a 1:1 basis and in Careers groups to create action plans and make informed choices about their future.

SENDIASS careers advisors are all level 6 qualified in information and guidance, can guide students through the EHCP Annual Review process, support students to research and understand their post 16 options, help with applications and CV writing, and support students to develop transition to adulthood plans. They also can offer support at parents & option events.
