1. Our Vision and Aims for Equality and Diversity

At Telford School, we will treat everyone fairly; celebrating and meeting different needs so that all members of our school community are free to live, learn and achieve their potential.

We aim to:

- Model and teach respect of everyone, accepting and celebrating difference.
- Maintain and promote a working partnership between the school, parents and community which fosters respect, honesty, truth, co-operation and tolerance.
- Help pupils understand the world in which they live, have mutual respect for the values of others and work together as a team.
- Provide opportunities for pupils to explore their own culture and identity and that of others.
- To ensure that everyone, whatever their needs and capabilities, is included and catered for.
- To value each individual and recognise and respond to the needs of all pupils.
- Give every pupil in our care the best opportunities to reach their full potential.

2. Defining Equality and Diversity

2.1 Equality

Equality is about fairness and equality of opportunity. Advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of Telford school community; this includes teachers, learning support or administration employed at Telford as well as pupils, parents and other stakeholders. At Telford every pupil has different strengths and needs. Bespoke, meaningful curriculums are individualised for each pupil to help them meet their needs and achieve.

Relating to the Equality Act (2010) there are nine 'protected characteristics' these are:

- age
- disability
- gender reassignment
- marriage / civil partnership
- pregnancy / maternity

- race
- religion and belief
- sex
- sexual orientation

Under the general duty Telford must exercise 'due regard' in respect of the protected characteristics to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

2.2 Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity, we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture, we can meet Telford's aims and objectives more efficiently.

Culture is about the way we behave towards one another – the school leaders, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

3. Purpose and Scope of the Policy

This policy sets out Telford's commitment to promoting equality and diversity.

We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Making appropriate changes to teaching resources.
- Accessing Local Authority Services e.g. Ethnic Minority and Travellers Advisory Service, external agencies that promote equality and diversity.
- Supporting children's emotional needs using the TIS approach and therapy such as SALT, OT, Animal assisted therapy, Mentoring and Counselling.
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing of this policy will take place annually and will be made accessible to all.

The policy applies to:

- Staff
- Parents
- Pupils (as appropriate)
- Visitors
- Multi-agency Professionals
- Contractors

Other stakeholders
